

<b>Pre- RDA</b>	
1975	The Group, then known as the Aldershot Group, was formed by Lance Bombardier Chris Livett, 7 <sup>th</sup> Para Reg RHA in conjunction with Aldershot Society for Mentally Handicapped Children. Col Eric Ridgeway was Chairman. Col. Pat Skinner (South East District Paymaster - later known as Commander Finance SE) acted as Treasurer, Miss Prior as Secretary (?). Riding took place at Beaumont Barracks using CL's own horse and horses belonging to the Army Garrison Saddle Club (AGSC). Brigadier Thorpe offered the AGSC horses.

<b>RDA</b>	
1976	<p>EGM called in May by Eric Ridgeway who was elected Chairman; Col. Skinner as Treasurer, Joan Baines as Secretary. Sue Hanmer as Instructor needed collector of Saddle Club horses. Committee formed. Christine Pike had joined in answer to ad. posted in Fleet Library headed 'Aldershot RDA'. Quote from Christine: "<i>After the meeting closed Chris [who had been acting as organiser] explained to me that the Committee had no idea of the situation and the paperwork involved and the need to restart the Group from scratch, and he doubted I would manage it. I gave it a try, and we were up and running by the time we held the first AGM in [April 1977]. Early days as Organiser. Only about six Helpers able to return, no pony owners willing to help, too many Riders. Saddle Club horses and the Indoor School still available.</i></p> <p><i>Decisions accepted by Committee over the next two years: (i) To use the large caravan owned by the Group and kept at the AGSC as a tack room. It had been intended as a class room for teaching theory but was too cold and damp and presented a towing problem because of its size. (ii) To fund raise and buy a horse box to carry five ponies. (iii) To discontinue teaching HTI adults.</i></p> <p><i>Fund Raising: Continued with collections at Farnborough Air Show. To collect, run stalls, and run a tombola from our caravan after Brigadier Thorpe invited us to the Aldershot Horse Show. Marion Draper had enlisted the help of colleagues at The Welcome Foundations to put aside money so that they could give the Riders a Christmas Party with gifts and to take them on a Summer outing. This they continued to do for many years. The RMP became happy to associate with the Group and provided a horse each year until Father Christmas decided he had reached the age for walking. Marion also introduced us to Captain Micky Munn and the Red Devils. They raised funds for us and arranged for us to receive three minibuses in total as they bought replacements. These were used to transport tack as the caravan rotted."</i> Formal constitution written and submitted to the Riding for the Disabled Association. Full membership of the RDA was granted in Oct. Sue Davies helped.</p>
